THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

SUBJECT:

DOCKET NO. 2010-51-E - Application of Duke Energy Carolinas, LLC for Approval of Experimental Tariff Covering a New Residential Retrofit Pilot Program - Discuss with the Commission Duke Energy Carolinas, LLC's Request to Terminate Its Residential Retrofit Pilot Program._

COMMISSION ACTION:

Grant the request of Duke Energy Carolinas, LLC to Terminate its Residential Retrofit Plot Program. This program targeted over 5,000 customers in Gaffney, Greenville, and Spartanburg via direct mailings. Only four (4) customers completed the full requirements of the program by installing the recommended improvements in their homes. I do not want Duke to continue a program that is not performing, but I do encourage Duke to explore cost-effective ways to make this program work or to incorporate some of this program into other Demand Side Management or Energy Efficiency programs.
